

Hyewon Lee

Tel: (+1)330-571-5112

hlee63@kent.edu

RESEARCH INTEREST

Topics	Cybersecurity, Gamification, IT-mediated learning, AI maturity, AI ethics
Computer skills	AMOS, Python, R, Mplus, SPSS, STATA
Analytical skills	SEM, fsQCA, Machine Learning, HLM

EDUCATION

Aug. 2025 – Present	Kent State University, Kent, OH Ph.D., Information Systems
Sep. 2023 – Aug. 2025	Kyungpook National University, Daegu, South Korea M.S., Information Systems
Mar. 2017 – Feb. 2021	Hanyang University, Seoul, South Korea B.A., Korean Language Education

JOURNAL PUBLICATIONS

Kim, D., **Lee, H.**, Kwak, D.-H., and Benitez, J. (2026). "Assessing and Controlling Social Desirability Bias in IS Research: Common Practices and Recommendations." *European Journal of Information Systems*, 1–23.

Kwak, D. H., Benitez, J., Cho, M., Jeon, S., Zhao, Y., **Lee, H.**, and Brandyberry, A. (2025). "Effects of leaderboard affordance and perceived role importance in team-based gamified training." *European Journal of Information Systems*, 34(6), 1066-1087.

Park, S., Woo, D., Yun, G., and **Lee, H.** (2025). "Replicating the influence of industry characteristics on the extent of logistics outsourcing: a bounded-conceptual-extension study". *International Journal of Physical Distribution & Logistics Management*, 55(8), 925–950.

CONFERENCE PROCEEDINGS AND PRESENTATIONS

Lee, H., Cho, M., Kang, M., and Kwak, D.-H. 2026. "Assessing and Adjusting Social Desirability Bias in Self-Reported Surveys Using Large Language Models," Americas Conference on Information Systems (AMCIS) 2026 TREO (Abstract)

Kim, D., **Lee, H.**, Cho, M., Liu, S., Zhao, Y., and Kwak, D.-H. 2026. "Impacts of Epistemic Techno-Curiosity and Role Perceptions on Effective Use in Role-Based Gamified Learning," Americas Conference on Information Systems (AMCIS) 2026

Lee, H., Cho, M., Kim, D., and Kwak, D.-H. 2026. "Dimensions of AI Maturity: An Ecological Systems Perspective," Midwest Association for Information Systems Conference (MWAIS) 2026

Lee, H., Jeon, S., Kwak, D.-H., and Lee, S. 2024. "The Impact of Social Media Affordances on Benign Envy: A Focus on Fuzzy-Set Qualitative Comparative Analysis (fsQCA)," 2024 The Korea Society of Management Information Systems Fall International Conference.

Cho, M., Kang, M., and **Lee, H.** 2024. "Exploring the Effect of Digital Transformation Capabilities on Innovation: Fuzzy Set Qualitative Comparative Analysis Approach," International Conference on Information Systems (ICIS) 2024 Treo (Abstract)

Jeon, H., **Lee, H.**, Park, J., Kang, M., and Kwak, D.-H. 2024. "Determinants of the Delegation of Artificial Intelligence Decision: A Goal-Setting Theory," International Conference on Information Systems (ICIS) 2024 Treo (Abstract)

Lee, H., Xue, G., and Kwak, D.-H. 2024. “Role of Cybersecurity Identity on Self-Goal Setting in Anti-phishing Training,” Americas Conference on Information Systems (AMCIS) 2024 Treo (Abstract).

Lee, H., Lee, S., and Kwak, D.-H. 2024. “Negative Effect of SNS Envy on Recovery Experiences,” The Korea Society of Management Information Systems 2024.

Lee, H., Lee, S., and Jeon, S. 2024. “Effects of SNS Affordances on Benign and Malicious Envy,” 2024 Korean Chapter of the Association for Information Systems Summer Workshop.

TEACHING EXPERIENCE

May. 2020	Korean Education at Gyeongil Girl’s High School
-----------	---

HONORS, GRANTS, AND AWARDS

May. 2026	Doctoral Consortium, Midwest Association for Information Systems Conference 2026
Sep. 2023 – Aug. 2025	Brain Korea 21C. Scholarship, Kyungpook National University
Mar. 2018	Scholarship for Group Leaders, Hanyang University

SERVICE

Sep. 2018– Dec. 2018	Educational Volunteering at Jangpyeong Middle School
Sep. 2017	Hanyang Volunteer CORPS
